WELCOMING A NEW DECADE

DON SCHRECK
Exalted Ruler

Happy New Year! I hope that you all had a Happy Christmas! We had a busy Holiday Season starting with the **Christmas Fleece and Flannel Party** hosted by our Ladies.

Our **Adopted Christmas Family** program again saw the generosity of our members. Seventeen children were given a Christmas that they otherwise would not have had. The family also enjoyed a bountiful Christmas Dinner Basket. **Marionette Sexton** did a great job organizing this annual program which reaches out to our community...

Have you seen the new lights over the bar?? The money to buy them was given by an anonymous donor to whom we owe our thanks, and of course, **Rick Weigand** took on the task of installation. Beautiful!

As we head into the New Year, let us be mindful of the purpose of our Order and continue to practice the virtues of **Charity, Justice, Fidelity** and **Brotherly Love**.

Fraternally, Don Schreck

Elks Care - Elks Share

Officer of the
Third Quarter
Marionette
Sexton

This officer has stepped up, as we say, "above and beyond". She has taken on the task of **Bingo Chair**. This is a weekly obligation and is one of the Lodge's biggest money makers. She and her crew have gotten the Bingo Night back on track. She was also in charge of the **Adopted Family Program**. This has required her and her Santa's Helpers to put in numerous hours to get these families a Christmas to remember and have a holiday meal to enjoy with their families. Please congratulate **Marionette Sexton** as **Officer of the Third Quarter**.

Elk of the
Month
Mark Fox

Mark Fox has been our **Student of the Month Chairperson** for the past 8 years. This requires gathering information for the area High School teachers and choosing a worthy candidate each month and then choosing a **Student of the Year** award to be given at the **Scholarship Banquet in May**. He helped with the **MacDill dinner** in November and has helped out with Friday dinners in the past. He and his wife **Annie** can be seen supporting many of the events held at the Lodge. Please congratulate **Mark Fox** as **Elk of the Month for December**.

One Giant Step Forward

There are many “walks of life” (avenues) that are pondered daily. The choices we make are sometimes unconsciously determined; otherwise thoughtful decisions may lead us to our desired destiny. The road to independence has been anything but smooth. Although many stumbling blocks and hurdles along the way have proven challenging, most have been overcome through mental efforts as well as gentle physical persuasion. Perseverance in spite of overcoming these difficult obstacles is reason enough to seek absolute completion and final rewards of any desired goal.

The Fraternal organization of the Benevolent and Protective Order of Elks long ago sought a solution to combine fellowship, celebrations, and benevolence all under one roof. The efforts of then the “Jolly Corks” has evolved into a nation of Elk Lodges. Together they annually contribute millions upon millions of dollars supporting untold numbers of charitable efforts and are able to continue to celebrate these victories in true fashion.

During the 50+ years of Brandon’s Lodge No. 2383, it has enjoyed rewarding deserving applicants with Elk National Foundation Scholarships. It also has included many sponsored local ones. Through the combined efforts of officers and members developing new methods of operation (MO) many additional programs have been harmoniously added. Rewards from these new programs have contributed to greater knowledge and acceptance, that in turn help renew these efforts with continued public interest through the Elk publications as well as the local media.

We had another wonderful and successful breakfast last month. Thank you breakfast crew.

December Lady of Distinction

Nickie Wells with Julie Ebert (right)

Our **Lady of Distinction for December** can be described appropriately as a true Santa's Elf. She has been a member of the **BPOE** and **BLOE** for many years and has seen ER's and Presidents come and go. She is always there to help whether it be a Brandon Ladies fundraiser, Friday Night Dinner, Bingo or a **Florida Elks State** function.

She and her sister (**Puppet**) are constantly in the kitchen helping things to run smoothly, working hard to make sure meals are served on time and taste good. She is known around the lodge as one of the best mashed potato makers and her lasagna is always the best.

She recently chaired our **"Sock Hop"** and as usual it was an overwhelming success because of her hard work. She is a former lady president and PER. Just in case you haven't already guessed - join me in congratulating **Nickie Wells** our **December Lady of Distinction**

Brandon Lodge Helps Provide Christmas in the Community!

Written by Mary Lou Scribner, PER

For the third year the Brandon Lodge was invited by the Florida Elks State Association to be part of the annual **Walgreens Community Care Christmas Toy Drive**. This project is chaired and organized for our lodge by our **Brandon Past Exalted Rulers Association (PER)**, chaired by PER Mary Lou Scribner.

Surely you have all noticed the Christmas donation boxes at our local Walgreen Stores with the label **"COMMUNITY CARE GIFT DRIVE, Cosponsored by Florida Elks State Association?"** And hopefully you might have even donated to it?

Walgreens collected toy donations during the Christmas season (from November 24th to December 15th) and our PER's are assigned to pick up the toys and deliver the toys to our lodge for sorting and distribution into the community.

This year the PER's gathered a total of 1,003 toys. Seriously! It was a ton of hard work, especially as we PER's are not getting any younger. The toys get heavy and the backs start aching, but it truly was a labor of love to be sure.

After much discussion between the PER's as well as our Lodge Officers, the toys were spread out into the community as follows:

Paula Tarver, one of our dedicated **ELK's Children's Therapist**, was contacted and invited to come to our lodge on Monday, December 16th to choose toys that would be beneficial to her and our other Therapists in working with the children during therapy. I do believe we exceeded **Paula's** wildest dreams as we excitedly helped identify toys that we thought might be useful. **Paula** took home a lunch table full of toys that will be put to good use and will benefit the community and our children. She was thrilled to receive a "balancing bike", which she was just getting ready to purchase out of her own personal funds. These toys will definitely touch the lives of children in the community.

Our lodge supports three of our local schools: **Yates Elementary, Seffner Elementary and Mintz Elementary**, all **Title One** schools. **PER Sharon Hammersla**, along with the help of **PER Mary Lou Scribner**, were like two little kids in a toy store while filling *large* bags of toys to help the schools in making a Christmas for identified children in need. **PER Sharon** hand-delivered the toys the following day, and the schools were so grateful. Again, our lodge helping and being involved in the community. We are making a difference.

Everyone there that evening helped our **Loyal Knight Jim McCleary** fill bags to provide a festive Christmas to a family of seven children that would otherwise not be celebrating Christmas. **Elks Care – Elks Share.....**supporting the community.

A last minute miracle for the teachers of **Palm River Elementary School** when we learned that their normal budget of \$1,500 was reduced to \$100 to provide Christmas to identified children of families in need. They were invited to come and pick out toys to meet this need. We not only helped the children but were able to help support our teachers. A win-win! The teachers were speechless at the generosity.

PER George Thomas and **Carolyn Thomas** identified a need for a homeless family that our local churches help. They were invited to gather toys to provide a Merry Christmas for this family. Supporting our community, helping those less fortunate, being good Elks....that's what we do!

The members of our lodge also generously support our **Brandon Adopt a Christmas Family Program** each year, Chaired by **Lecturing Knight Marionette Sexton**. Toys were donated for this program to assist **Marionette** in making sure each child per family received the same number of presents. Don't you remember as a child counting your presents and comparing against the number your siblings received? An old Christmas tradition. Way to go **Marionette!**

The remaining toys were then bagged up and **Leading Knight Mark Vargo** and **PER/Trustee Rick Weigand** delivered to the **Shriners Hospital** to be used for the children at the hospital. Needless to say the **Shriners**, who **Elkdom** has partnered with throughout the years, was elated to receive these toys to replenish their emptying shelves. A toy to a frightened child can help lessen that child's tension and fear.

So, it was another Merry Christmas.

We are extremely fortunate that the **Brandon Lodge** has been included in this fairly new program headed by **Development Director Dan Masi, Florida State Elks Association**. Last year our lodge collected 543 toys. This year it increased to 1,003 toys. Who knows what we can collect next year! But.....if this is something **you** would like to be involved in, please contact **PER Mary Lou Scribner, 813-230-1943** (perelkmls@hotmail.com). She will be happy to explain and answer any questions. We welcome any of our members to be involved. We can use your help in collecting, sorting, distributing, or suggestions on families or organizations that we can become involved with. Don't be shy.....get involved!

Merry Christmas!

Christmas Spirit was everywhere at Brandon Elks Lodge #2383

Written by Mary Lou Scribner, PER

The **Brandon Elks Lodge #2383** adopted **8 families** with a total of **17 children** and made sure these families will enjoy a wonderful Christmas. Wednesday night, December 18th there was plenty of Christmas spirit at this lodge. Christmas carols were playing. Brandon Elk "elf's" were all wrapping gifts. Grandchildren of Elk members were sharing in the merriment, learning first-hand what Elks do! **Elks Care – Elks Share!**

This is an annual tradition at the **Brandon Elks Lodge**. Each year families are sought that have fallen on hard times; families that may not have a Merry Christmas with toys and turkey. **Marionette Sexton, Lecturing Knight**, chairs this event. Elk members pick their child to adopt and presents purchased and wrapped.

Not only are clothes and toys for the children wrapped, but an entire Christmas dinner is also provided. No detail is missed to ensure the family will enjoy the Christmas season.

And Christmas is felt in the heart of the **Brandon Elks**. If you were not part of this event this year and would like to be involved next year.....just contact **Marionette Sexton** or any Lodge Officers.

DID YOU KNOW –

Our **Grants Coordinator, Sharon Hammersla**, on behalf of the **Brandon Elks Lodge #2383** applied for and again was awarded the **Beacon Grant**, which the lodge uses to help our youth by partnering with some of their local schools.

Using this year's **Beacon Grant** and matching **State Funds**, our lodge was able to help **Burnett Middle School** with a much needed and appreciated audio system for the school, as well as **Civics Test Preparation Software**. Teacher **Matthew Kiati** had been bringing in his equipment from home for their special events. The staff is overjoyed with the assistance and new community partnership with the **Brandon Elks**. And the students, we are confident, were happily surprised when the new system was used for a dance planned for the upcoming weekend.

DDGER George R. Scribner, PER Sharon Hammersla, PER Christine Vogel and **PER Mary Lou Scribner** were on hand to deliver the equipment and to make the presentations to the school. But *did you know* that any and all of our **Brandon Elks** are welcomed to attend such presentations. If you are interested in being involved with any of our various events that partner with our community, just contact your **Exalted Ruler, Don Schreck** or our **Grants Coordinator Sharon Hammersla**. Be an involved Elk! It's who we are and what we do.....and I'm betting what you joined the Elks for!

Alyssa M. Personius

**JANUARY
TEENAGER OF
THE MONTH
Durant High School**

Alyssa M. Personius has been selected as the **January 2020 Teenager of the Month**. Academically she is a magnificent student maintaining a 6.4 weighted/3.94 unweighted G.P.A. She is a member of the **Durant Honor Court** ranking 7th out of 540 seniors. She has continually challenged herself with rigorous coursework throughout her high school career to include multiple AP and Dual Enrollment courses earning college credit and was named an **AP Scholar with Distinction**. She was also selected for our **National Honor Society** and has been an integral member the past two years. She has demonstrated that she is that rare student that is able to balance stellar academics, extracurricular activities, employment, and community service through superior time management, organization, and a desire for greatness. She is the **Vice-President of our Senior Council** and in this position helps plan school-wide activities that positively impact our entire 2400 student population. She is also the **President of our SAC (Students All Connected) Club** which promotes service and a positive school climate.

Despite her very busy schedule she has held part time employment for the last year at **Jeremiah's Italian Ice**. They have recognized her talents and honored her as a featured employee in their Magazine. That is quite an honor since that company only chooses two employees each year to recognize. That is quite a feat in a workplace that employs many young adults! It also further demonstrates her work ethic and dependability.

Her community service demonstrates she cares about people and her community. She has volunteered 130 hours in her community earning many of these as a mentor and counselor in the **Girls with Confidence Community Outreach**. This is an outreach organization that works to boost self-esteem and build positive identity in young girls in our area. Her commitment to help change these young lives and impacts her community and they are blessed to have such a fabulous role model.

Alyssa is such a multi-talented young lady and has also discussed her interests in architecture and design to possibly pursue in college and future career. She's already begun to dabble in home staging and design, working alongside her parent who is in Real Estate.

Whatever the future holds, she will continue to be a tremendous success. She will be an incredible asset to any university and worthy candidate for recognition and scholarship. So, please join me in congratulating **Alyssa M. Personius** as our **January's 2020 Teenager of the Month**.
